

一般入試リスニングスクリプト

1. A. Let's go to the park.
B. We were there all day yesterday.
A. Yeah, but I'm bored and I like the playground there.
B: Can we go to the aquarium instead?
A:
A) The park doesn't have an aquarium.
B) The playground is boring.
C) We went to the aquarium yesterday.
D) Ok. If you really want to.

2. A: This zoo is famous for having four panda bears.
B: That's a lot! What is your favorite thing here?
A:
A) I like watching the monkeys play.
B) The pandas will be sleeping.
C) Lunch is expensive here.
D) Sure. That is a good idea.

3. A: My school trip is cancelled this year. We will have regular classes.
B: Why is that?
A: Because of Covid-19 we shouldn't leave the prefecture.
B:
A) Where are you going?
B) That wasn't a very exciting trip.
C) What will you do instead of the trip?
D) Well, my school is still going on a trip.

4. Tomorrow is going to be so much fun! It's my friend's birthday. It will be very busy! We are going to have a big party for her. I will make a cake and my friend will decorate our classroom. My other friend made a gift. After school we will sing karaoke. After that I'm going to eat with my family and then we are going bowling.

Question: What will the girl do for her friend?

- A) She will make a cake.
 - B) She will decorate her classroom.
 - C) She will make a gift.
 - D) She will go bowling.
5. Sustainable Development Goals or SDGs are very important. Every person should do what they can to help the environment. I recommend not using plastic bags and using a reusable water bottle. Also, we should ride our bikes more and drive cars less. We should pick up any garbage we see on the ground at parks and on streets. Every little bit helps.

Question: What did the man say we should do to help the environment?

- A) We should ride bikes more.
- B) We should turn off lights.
- C) We should pick up garbage on beaches.
- D) We should drive cars.
